### **Intake Application for Seven Grandfather's Program**

Gwekwaadziwin Miikan offers a 3-month residential mental health and addictions land-based program that is conducted outdoors. This co-ed, person centered program is open to all Ontario residents age 19-30 and weaves traditional culture with therapeutic best practices, education, life skills and experiential learning. We also offer a residential live-in-aftercare program available to persons that have recently completed treatment and a community after care program to assist persons with community reintegration. More information about our programs can be found on our website at [www.gwek.ca](http://www.gwek.ca).

.....

The application helps us understand your needs and to determine if we can assist with your healing journey. Please take time to complete the application to the best of your ability the more information you provide the better. Some of the questions may be tough to answer and it is helpful to have supports while completing this form. You can fill it in yourself, have someone you know and trust help you or call us at the number below and we can arrange a phone or Zoom call to complete it together.

The information in this application is confidential unless you provide written consent for us to share it or unless you pose a risk to yourself or someone else. We do extract some of the non identifying information for outcome measurement to understand how our program can best help people on their healing journey and how we can improve. For example, we look at the 'average' mental health of all our participants before and after the program to understand how we change lives. No individual names or identifying information is included when we pull this information from our applications and the data is grouped together.

Within 5-10 days after we get your application, our Admissions Coordinator will contact you to review your information, help you with any sections you are missing, and chat with you about the program. If you do not hear from us in the specified time frame or if your contact information changes, please call us. The application is the first step to applying but does not guarantee admission to the program, our Admissions Coordinator will discuss the next steps with you by phone.

We encourage you to look up information on our web page [www.gwek.ca](http://www.gwek.ca) and watch for social media updates on our Facebook Page. When you have completed this application, you can get it to us by:
